On-Battery Output Waveform: True sine wave
Manufacturer's Suggested Retail Price: $619.00 USD (48 Contiguous U.S. States Only)
Applications: Voice and Data Networking, Servers, Sensitive Electronics
Warranty: 3 Years - Parts & Labor Including Batteries
UPC: 784755152459

Description:

The Endeavor ED1000RM2U is a 1000VA/800W 120 VAC true on-line, double-conversion, extended runtime rack/wall/tower UPS designed for critical, power-sensitive electronic environments.
Back-up time - full load: 4.6 minutes
Back-up time - half load: 11.8 minutes

Runtimes for small loads of less than 10 percent of the stated capacity of a given UPS may vary greatly. Please call to confirm most accurate runtime for small loads.

Features:

- Floor-standing tower, 19-inch rack and cabinet installation kits included
- 23-inch rack or cabinet installation kit optional
- Wallmount installation kit optional
- 3.5-inch (2U) rack/tower case style
- Up to a 0.8 power factor (in watts) for larger capacities
- Output receptacle control for non-critical load shedding capability
- Extended runtime using external battery packs
- Independent battery pack chargers to reduce battery recharge times
- Simultaneous RS-232, USB and SNMP communications
- Minuteman® SentryPlus™ UPS monitoring and control software
- Front panel display with load/battery meter and status indicators
- Three-year non-prorated warranty (including batteries)
- Dedicated remote Emergency Power Off (EPO) port
- Hot-swappable batteries
- RoHS compliant
- $200,000 Minuteman Platinum Protection Plan® (U.S. and Canada only)

Properties:

Device type: Uninterruptible Power Supply
Input plug type: 5-15P
Input voltage: 110/120

Output voltage: 110/120
Number of fully protected outlets: 6 (5-15R)
Number of surge protected only outlets: None
Phone / modem (RJ-11) protection? Yes
Network (RJ-45) protection? Yes
No. of serial (DB-9) ports: 1
No. of dry contact ports: 1
USB port: Yes

Battery:
User replaceable battery? Yes
No. of internal batteries: 2
Replacement battery description: 12 Volt 8.5 Amp Hour
Replacement battery part no.: 37000025
Replacement battery suggested retail price: $45.00 USD (each)

Technical Attributes:
SNMP manageable? Yes
Power in Watts: 800
EMI/RFI filtering? Yes
Max. energy dissipation: 800 (Joules)
Protected equipment insurance value: **$**200000 USD (US and Canada Only)
Switchover time: None

Software:
***Operating system shutdown software included:** Yes

Op. System(s) supported by SentryPlus software: Microsoft Windows XP/2000/2003/95/98/Me/NT4, Red Hat Linux, SuSE Linux, FreeBSD, and other Unix/Linux systems

Product Dimensions (in inches) :
Length: 17.30
Width/Depth: 13.10
Height: 3.50
Weight: 29.04 lbs
